

Food Pantry Ministry

The Food Pantry at the Cathedral Church of St. John provides staple foods once a month for eligible families who live in the 87102 Zip code near the Cathedral. The kind of food we provide requires that our clients have access to cooking facilities so it is intended for families living in a home or apartment. A valid, picture ID and proof of residence within 87102 must be shown.

Our program is now full and is closed to new clients, but we will continue to serve our current client families. New clients will be given food one time and will be offered a list of other food pantries near where they live that may be able to help them on a routine basis.

The Food Pantry is open Tuesdays from 9:00-10:00 AM. We will provide food assistance to only the first 25 families in line. Those families who are not served on any Tuesday may try again the following Tuesday.
